Peggy takes a leadership role on the Advisory Council of this non-compete networking group. She assists the group in marketing its benefits to the NSACI membership through newsletter advertising, a Connections brochure, participating in the Expo, and other marketing avenues. Ambassador of the Month

Mark Barrett earned the name "Ambassador of the Month" during the month of April. Mark greeted members at several events throughout the month. He is very helpful to new NSACI members, inviting them to upcoming events and introducing them to the current membership. Mark earned "bonus" points by assisting with the mailing of the newsletter.

Stevens Maloney serves as "Chicagoland's Leading Stationers" with office furniture and supplies. Contact Mark at (847) 397.3700 x229 for a free catalog of products.

Mark Barrett and Marlene Baczek have served as NSACI Ambassadors for over a year and are star volunteers.

Marlene Baczek, of Healing Your World Therapeutic Center, stole the title "Ambassador of the Month" in May. Marlene attended nearly every event in May and was instrumental in orientating new members to the organization. As a new Board member, Marlene is involved in the growth of the NSACI membership.

Healing Your World Therapeutic Center offers corporate and individual wellness programs, including chair and table massage, reiki healing, yoga instruction, CPR certification, and AED sales and training. NSACI members are eligible for \$10 off a one-hour massage. Call Marlene at (847) 361.6398 to schedule your appointment.

Want to meet new people and potential business prospects? Join the Ambassador group of NSACI. These star volunteers greet new members at events and ensure they make the most of their NSACI membership. Call Billy Jo Baker (847) 259.8774 for more details.
