

## **INSIGHT CONSULTING SERVICES PARTNERS WITH AVION TECHNOLOGY TO BRING ITS CLIENTS HIGH-QUALITY, RESULTS-ORIENTED WEB SITES**

**Hoffman Estates, Illinois, September 1, 2009** – Peggy Morrow, President of Insight Consulting Services, Inc. and Vibha Tambe, President of Avion Technology announced today that they are partnering to give their customers the best of two worlds: marketing expertise and technology expertise.

“My customers frequently ask for help with their web sites,” explained Insight Consulting Services President Peggy Morrow. “I am very excited to now be able to provide web services from a simple, five page web site to a complex web site with e-commerce and backend interfaces.”

Insight Consulting Services provides a full range of marketing services, including marketing plans, business plans, and marketing communications, and serves businesses of all sizes, across all industries. With more than 20 years of experience in marketing and strategic planning, along with the value of an “insightful outsider” view, Insight Consulting Services helps businesses grow and achieve their goals.

Avion Technology provides web design and web development services. Its strengths are strong design and development expertise, competitive pricing, outstanding project management and communication skills, and a commitment to helping its customers attract and retain customers.
