Dear Name,

Reduce Waste and Increase Profitability

Are you losing customers because of poor quality or missed commitments? Is your business plagued with cost overruns that drain profits? Does your business have workflow bottlenecks but you don't have the time or resources to resolve them?

To drive your business forward, ThoughtWorthi Solutions applies **quality management and statistical methods** to reveal core problems and works with you to develop the best solutions. Services include:

- Performance Improvement
- Workflow Analysis
- Staffing Model Analysis
- Process Documentation

We strive to bring you valuable insights, successfully deploy improvements, and achieve **measurable results**. Whether you have a **specific problem** or your **entire operations** needs streamlining, your manufacturing business will benefit from the same techniques we have applied to develop practical, cost-effective solutions for Motorola, the U.S. Postal Service, University of Michigan Hospital, Ford Motor Company and McDonald's Corporation.

In a complimentary initial review, we will discuss how we can work together to boost productivity, improve quality, and help your business compete more effectively. Please call 847.490.4785 today or email Sheila.Henry@thoughtworthi.com.

Sincerely,

Sheila Henry

President, ThoughtWorthi Solutions

P.S. MAYBE YOU THINK IT'S TOO EXPENSIVE TO HIRE A CONSULTANT. THE RETURN ON YOUR INVESTMENT IS OPTIMIZED OPERATIONS, REDUCED RISK, AND IMPROVED PROFITABILITY – CAN YOU REALLY AFFORD TO DO NOTHING?
