ENJOY A HIGH SPEED INTERNET CONNECTION AT AN AFFORDABLE PRICE

Dear (name),

Are you tired of dealing with large telecom companies where you speak to someone different each time you call? Do you wait on hold for hours or get transferred to sixteen people? Does the reliability of your Internet connection concern you? Does your current connection have enough bandwidth and speed to support your business activities? Are you paying too much for your Internet service?

The Internet Factory provides proven performance and personal service to businesses like yours - those that rely on the Internet for mission critical business functions. As our customer, your questions will be answered and your service will work. Here is just a sample of what our customers say: "We trust The Internet Factory completely" and "I like using The Internet Factory because they are so knowledgeable and easy to work with."

For a limited time, The Internet Factory is providing high speed Internet connections at a very special price. For just \$349 per month, your business will receive a full Internet T1 1.5 Mbps, 24/7 monitoring, a free router, basic business web hosting, and 25 POP e-mail boxes. Plus, there are no start-up or installation fees!

To obtain this special offer for your business, say "yes" to a better Internet experience and call us today at (847) 564-7777, e-mail sales@tifnet.net or visit our website at www.tifnet.net.

Sincerely,

Mark E. Levy
President, The Internet Factory

P.S. Act now - this special offer requires a three year contract signed by July 30, 2007 with service beginning within six months.

P.P.S. Ask us about voice telephone service, server colocation, and hosted Microsoft Exchange.
